

Mendham Township Elementary School Outdoor Learning Center

Donations and Acknowledgements

Because the garden will be used as a classroom, the opportunity to acknowledge donors in the garden is limited to minimize distractions. Supporters of this garden project donating \$60 or more will be acknowledged on a "giving tree" at the entrance of the garden.

Donors giving \$5,000 or more will be acknowledged with a woodland creature in the garden bearing a plaque with the dedication of their choice. As of now, only twenty plaques will be available in the garden itself. The woodland creatures will be placed in various parts of the garden. For instance, in the bird garden there may be a woodpecker, a bunny in the cottage garden, or a turtle in the waterfall garden. Individuals can join together and contribute as a group (e.g. a neighborhood, club, business) and be recognized.
